Montreal Canada

SUMMARY

Full-stack developer with 6+ years of experience and a proven track record of success in achieving extraordinary results. With a strong attention to detail and accuracy and the important ability to function well in a team setting. Cheryl is looking for a Full-Stack Developer job.

EXPERIENCE

Full Stack Developer

Shopify

04/2022 - 04/2023 Ottawa, Ontario, Canada

Remote

- Developed a web application for stock market analyses.
- Created the web front-end using React and Bootstrap.
- Constructed a microservice ecosystem using Python and Ruby for scraping and digesting data.
- Transitioned the legacy app from jQuery-powered framework to MERN stack.

Full Stack Developer

CGI

06/2018 - 03/2022 Montreal, Quebec, Canada

- Created and maintained the front end from scratch using TypeScript, React, React Query, and Material-UI.
- Built and maintained multiple back-end services to support core features of the application, including Flask-based REST API, Celery-based background jobs queue, and gRPC service for on-the-fly machine learning processing.
- Constructed unit and integration tests for the front end and back end. Set up and maintained CI/CD pipelines using GitHub Actions.

Web Developer

Myplanet

03/2017 - 05/2018 Toronto, Canada

- Created the front end of the landing page in React.js within a tight deadline.
- Implemented Node.js scripts for automation of API calls.
- Implemented NoSQL database in Firebase Realtime.
- Consulted with the client on options for developing an internal-use web application.
- Developed a proprietary web application for use in manufacturing processes.
- Stabilized legacy software that improperly records patient data into other patients' records.

Web Developer Intern

IBM Canada

10/2016 - 02/2017 Montreal, Quebec, Canada

- Wrote and debugged code using various programming languages, such as HTML, CSS, JavaScript, or Python.
- Developed website layouts and user interface using design tools such as Photoshop or Adobe XD.
- Participated in team meetings and project discussions.
